EDUCATION

TATUFF, Fergana— *2nd course*

Direction: Software Engineering

Date of commencement of study - 09/2022

At TATUFF, we are familiar with various IT related subjects. I applied to Software Engineering because I am very interested in programming.

NAJOT TA'LIM, Fergana— *8nd month*

Direction: Frontend developer

Date of commencement of study - 09/2023

At Najot Education Training Center, we only learned soft skills related to the Frontend part of Web programming. Here we also performed various projects as practice.
